Join me?

Author's Notes:
My mind just came up with this, so I hope it's readable.
(I will update Colours soon, because I have more free time atm)

Why did I agree to do this? Why couldn't I wait until he would be finished and take my shower then?

I know he doesn't like me the same way I like him. But then, why is he doing this?
Is he teasing me? He is definitely teasing me, he knows I'm watching him.

He looks perfect like this, the hot water streaming down his muscular back, wetting his fiery red hair and his skin flushed in a pink colour.

He turns to me and smirks as I avert my eyes quickly from his. "Care to join me, Marty?"
